(February 3-28)

\$300/student
(after February 28)

* **Open Enrollment for NEW FAMILIES** will begin on Friday, March 2nd.

OCA is accredited by AdvancED and ACSI.

OCA sent 6 Mathletes to compete in Piedmont Region's MATHCOUNTS Competition. These Mathletes, coached by Dr. Chapa and his assistant coach, Lexi Reel (10th grade), have been preparing for this competition since September. These middle schoolers honed their math skills and competed against some of the top math students in our area. Please congratulate our OCA MATHCOUNTS Team on a job and season well done! (pictured L-R: Dr. Chapa, Chuck Brooks, Lily Holland, Julianne Keaton, Colten Cooper, Cal Kelly, Josiah Smith)

Both of our **Varsity Basketball Teams** will enter the post season play as #2 seeds. **Our girls and guys will host Westgate Christian School on Tuesday, February 11th. Girls will play at 5:00 pm and the guys will follow around 6:30 pm. This will also be our Senior Night.** We will honor our senior players between the two games as they take the court for their last home game as an OCA Warrior.

Our OCA Warriors have had a great basketball season so far. Let's **SHOW UP** and give them our **SUPPORT** on **TUESDAY!**

Let's CHEER our Warriors on to VICTORY!

How many years have you attended OCA? 4 years

Where do you volunteer and what do you find rewarding about it? I volunteer at Our Daily Bread and Chestnut Mountain Ranch. I find the progress made rewarding.

What talents do you have and where do you use them? Diving and Karate - I dive in lakes and other areas.

What things interest you? I'm interested in pathogens and conditons of the human body because it is interesting to see how the body reacts sleeping or using electronics.

Do you plan on attending a college, university, or technical school? Yes, Liberty University

What do you plan on getting your degree in and what do you plan to do with this degree? Bachelors degree in Biology and become an Immunologist

Where do you see yourself in 10 years? I see myself in an internship for an Immunologist.

What has been the best thing about being at OCA? The people

What is your best advice for underclassmen? Try even if you don't think you can succeed. You are not dumb, just try your hardest and you will succeed in anything.
