SENIOR SPOTLIGHT

Caleb Baumann

How many years have you attended OCA? 4 years

Do you have an after school/weekend job? Yes, at
Baumann Electronic Controls. I've worked there for one
year.

What talents do you have and where do you use them?
Writing - This helps when I have to write something for
school or work.

What things interest you? I'm interested in cars, music,
guns, politics, history, and the medical field.

What do you do in your free time? I like to hang out with
friends, play tennis, and work on cars.

**Do you plan on attending a college, university, or
technical school?** Yes - Clemson University

**What do you plan on getting your degree in and what do
you plan to do with this degree?** Engineering or Pre-Med
- I want to either work as an engineer for an automotive
company, run a business, or be a doctor.

Where do you see yourself in 10 years? I see myself
working as an engineer or still at med school.

What has been the best thing about being at OCA? The
small classroom allows for the teachers to help each
student if they are struggling.

What is your best advice for underclassmen? Work hard
during your whole time in high school. It will give you
more options and open doors for you.
